Sabbath 23rd Oct.

Reached on the quarter deck to the cabin &
many of the steerage passengers, about noon
3.28. The day was very fine & calm.

Sabbath 30th Oct

Preached on the quarter deck from Luke
7. 11-16. This day was like the preceding
Sabbath. Both days were better adap-
ted for the holding of service than any
other days hitherto.

Sabbath 6th Oct

This day, having been unfavourable the
was no preaching. Became acquainted
during preceding week that among the
steerage passengers there was a Welsh Cal-
vinistic local preacher, Withness Phillips.

Sabbath 13th Oct

This day also unfavourable for preaching.
Had however a prayer meeting in
the first cabin. In the evening P.M.

Philip proposed to have service in the
second division to which the Captain
consented. I opened the meeting by prayer.
Mr Philip took as his text Isaiah 10. 3. He
was interrupted in his sermon by an
Irish Roman Catholic, who had been
slightly intoxicated and who afterwards
became so noisy that the Capt. was com-
pelled to pay him and put him in
irons. The meeting was hastily concluded.

Thursday 15 Sept.

^{washed}
This day about 5 o'clock the mate Mr Hartman
was washed from the fore-castle for a heavy
sea and notwithstanding every effort
made to save him was drowned. He
left a wife & 4 children - was a kind man &
had been at sea 29 years.

Wednesday 16 Sept.

Arrived in New York this evening and put up
at the Clinton Hotel. C. W. M. Green, & Mr. Hoag,

and Mr. Laby remained here also. There was no
room for the other passengers. A very comfort-
able hotel & which is a great improvement
on the British system - no waiter fees. ~~See
very day but~~

Thursday 17 Sept

Spent most of this day in the company of Mr.
Laby & his friend Mr. King of N. York who
took us to see some of the lions of N.Y.
Not having seen New City cannot form
an opinion of this place. The business
part of the town is very busy but fine.
The streets narrow & houses irregularly
built. Read some papers which mention our arrival
& sent some to port.

Friday 18 Sept

Left N.Y. this morning by Niagara in
company of Mr. Laby & Mr. Hoag. Was
exceedingly delighted with the magni-
ficent scenery on the Hudson. Arrived
at Troy about six o'clock and

in company of Mr Brown took ~~packet~~ ~~boat~~ for Steubenville canal for
Mechanicsville. Was greatly amused
by the rail road system, which as com-
pared with the British is contemptible. The
train on which we went having met
another on the same rail was obliged
to turn after having gone about 3 miles.
Old woman who refuses to pay - Understood
that this is about worst railway in States -
"Service the Niagara" very much - fare very
low (\$1). From Mechanicsville took
canal packet boat for Whitehall - The
boat was crowded with passengers & so
sleeping was anything but comfortable -

Saturday 19th
Lined in Whitehall about 10 AM in
time on steamer for St John, but as
I could not have arrived at latter
place till Sabbath morning, preferred

to remain till Monday in Whitehall
and accordingly put up at the Clinton-
house where became acquainted with
very fine old Christian Mr William Mathew
Smith Sharon Connecticut who
very kindly invited me to his place.

Sabbath 20th
Attended Presbyterian Church & heard
an excellent sermon from Mr Kellogg
on Ps. 42.2 - Was introduced to him &
presented for him on afternoon & evg
from Nov. 3. 28 + Ps 32. 1-7. He is a very
pleasant & intelligent man.

Monday 21st
Left Whitehall by steamer Burlington
for St John. The scenery on the Lake
Champlain is magnificent. Not so
fine artificially but more so naturally
as compared with Hudson river.

Rep. of sermon (3) Macaulay's essays (1) and (1)

Wednesday 7th Oct.
Lecture (3) Macaulay's Essays (1). Visited the peni-
tentiary in company of Messrs. Kennedy & Shaw. The
Penitentiary is a fine instⁿ. Mr. Dr. Lord kindly
showed us the different departments. It contains
1800 male & upwards of 30 female - Convicts,
whose support costs about 2 1/2 p. diem, for food.
They are all trained to an employment in different
kinds of trades - have themselves built the
establishment and on the whole, I have
no doubt of this system being infinitely su-
perior to the transportation system adopted
at home. There was a severe thunder-
storm this evening. Held a prayer meeting which
in consequence of the thunder storm was
but thinly attended (about 5 or 6) - Lectures
on 2nd Cor. 5.7. Was at the prayer meeting with-
drawn to Dr. Meyer, who I understand is a
most devoted Christian. Sunday (1)
Newson read a copy of the storm encountered
by the heat weather.
